

Coco Collection

We are proud and excited to introduce our newest addition to our thoughtfully crafted bedroom sets. This premium bedroom set features a superb design that integrates sophistication with simplicity. This set is a definition of clean style and modern feeling to your bedroom. Its cutting-edge profile is dressed in subtle detailing and plush upholstery. This Collection features a King Bed, one nightstand, and 8-drawer dresser with mirror. What really sets this bedroom set apart from the others is the Built-in LED ambient nightlight on the headboard, side rails, and the mirror. These unique LED lights will elevate your bedroom setting to a whole another level. The dresser have jewelry sections in their drawers to store your beautiful, valuable jewelry. There is extra support for drawers to handle bulky items, and the drawer pulls has crystal bling style diamond hardware. There is enough storage in all the case pieces to store your essentials and much more. This bedroom set is not just beautiful but also long-lasting; the engineered hardwood provides superior strength and durability. Indulge in the gorgeous sophistication while awake and in restful sleep at the end of each day.
