

Bianca Dining Table

his extendable dining table is a welcome addition to any dining room or eat-in kitchen. It's carefully crafted from solid acacia wood with a weather-worn finish that reminds us of our favorite flea-market finds. Plus, the table top is supported by four angled block legs and an open X-shaped base for added sturdiness and a fresh take on traditional farmhouse style. The best part? Thanks to its removable leaf, this rectangular table seats anywhere from six to 12 people comfortably: Think of all the holiday dinners you'll be hosting.
