

Eleonora White and Silver Nighthstand

Clean lines and luxe details shine through in this two-drawer nightstand. Sparkling accents like a reflective mirror trim outlining the set of drawers and square knobs encrusted with diamond-like accents create a regal display against a bed. This glam nightstand opens itself up to whatever color palette you prefer and offers hidden extras like USB charging ports and a felt-lined top drawer for delicate accessories and jewelry. Lending to the understated white finish is textured drawer fronts embossed in a wild crocodile and diamond pattern. Along the top just below the tabletop surface is a slim crystal-like molding that completes the piece and mirrors the hardware. About this item Includes: One (1) nightstand A bright and cheerful design sure to add fame and fortune into your glamorous bedroom decor Features mirror trim accents and grid-patterned front panels in a glowing silver metallic finish Diamond shaped, croc embossed front panels Mirrored strips reflecting elegance
